Dear Andy

Re: Bury Neighbourhood Plan

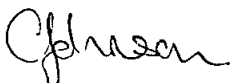

Bury Parish Council has resolved to produce a Neighbourhood Plan and is formally applying for a designated area of the neighbourhood in respect of the Bury parish. This is required by Part 2, Paragraph 5 of the Neighbourhood Planning (General) Regulations 2012.

Attached is a map showing the area to which this application relates. This follows the parish boundary as indicated by the red line. This area is considered appropriate to be designated as a Neighbourhood Area because it is a properly constituted parish within the planning area of Huntingdonshire. The area has been chosen to ensure a comprehensive approach, bringing positive change to the whole village, meaning that no part of the area is excluded.

I confirm that Bury Parish Council is the relevant body authorised to act in relation to this proposed Neighbourhood Area as defined by Schedule 9, Part 1, Paragraph 61(3) of the Localism Act 2011.

Please can you advise me of the date that the four week consultation period will commence and keep me informed of the progress of this application.

Yours sincerely

Mrs Chris Johnson
Parish Clerk
