**Subject:** Homes Under Construction - Alconbury Weald

Annette

As requested at the Matter 12 Hearing session earlier this week, we have been back to the site manager at Alconbury Weald as well as individual parcel developers and can now confirm that as at the 28<sup>th</sup> September 2018 there are 259 homes with building regulations approval under construction at Alconbury Weald. The figure quoted at the Examination had erroneously included for some completions.

Best Regards

Andy
