Dear Mr Morris and Ms Dale

Thank you for submission of the documents relating to the examination of the Built up Areas and Anti-Coalescence Policies in the Houghton and Wyton Neighbourhood Plan.

I will be writing to you shortly about a number of procedural matters dealing with the timing of my site visit; whether a hearing will be necessary and raising, potentially, any questions I may have in relation to matters which require further clarification. However, in the meantime, my preliminary reading of the submitted documents has prompted the following question:

Does the District Council or Parish Council intend to comment on any of the points raised in the consultation responses to the Alternative Modifications?

There is a report entitled '*Houghton and Wyton Neighbourhood Plan: Proposed Alternative Modifications – Report of comments on consultation*', but this appears to simply record the responses rather than comment on them.

If the District Council or Parish Council wish to make any comment, I would be grateful if this could be done by **22 September 2017**.

In the interests of openness, may I prevail upon you to ensure a copy of this letter is placed on the local authority and qualifying body's websites.

Thank you in advance for your assistance.

Your sincerely

Bob Yuille
