Week Commencing 21st October 2024:

- Construction and slab laying on Market Square northern footway (adjacent High Street)
- Rain garden construction, blockwork installation and slab laying on Market Square north
- Electrical duct excavation on south side of Market Square
- Repaving works in footway on River Terrace adjacent to Old Falcon
- Clearance and excavation on Market Place north near taxi office for new kerb line, pavement, ducts and loading/taxi rank
- **Traffic management this week:**
 - **Market Square south is an active construction site and should not be accessed without permission from the site manager. Any unauthorised access by persons or vehicles will be treated as trespass and action taken. Thursday and Saturday Markets are permitted to take place as usual**
 - Temporary road created around Market Square to allow access during resurfacing of Market Place
 - Footway closures and diversions around Market Square during footway works
 - Loading area fenced off for use of businesses on Market Place

Both the Thursday Charter Market and Saturday Farmer's Markets will take place as normal on the Market Square throughout these works. Businesses around the Market Square are open and trading as usual during the works.

Please note that at times there may be other road works taking place in St Neots town centre that are not part of this project, such as scheduled or emergency works to statutory utilities. More information on such works can be found at [One.Network](#).
