

Hinchingsbrooke Country Park Improvement Works to begin this April

We are delighted to confirm that, following the appointment of Lindum Group Limited as principal contractor, improvement works at Hinchingsbrooke Country Park will begin in the week commencing 13 April 2026.

The works will enhance the park's habitats, accessibility and visitor facilities, while protecting the natural character that makes Hinchingsbrooke such a valued local green space.

Construction will take place over the coming months, with completion expected for Spring 2027.

Keeping You Updated

This is the first in a series of newsletters designed to keep stakeholders informed as the project progresses. We will share updates on progress, upcoming works and any potential impacts within the park.

You can also find regular updates via:

- Webpage: www.huntingdonshire.gov.uk/hcpinvest
- Social media: [Instagram](#) and [Facebook](#)
- Notice boards: Located around the park, the boards will be regularly updated with the latest news on the development works.

Works Completed Continued ...

Temporary Park Cafe + Toilets

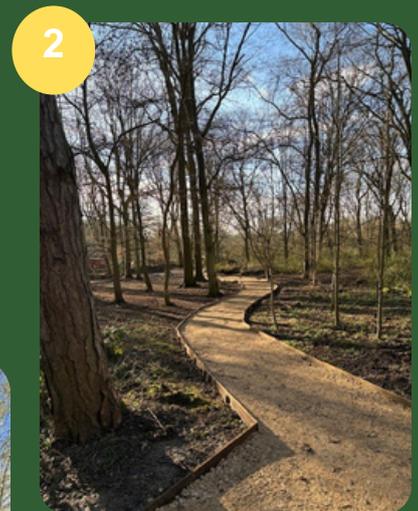

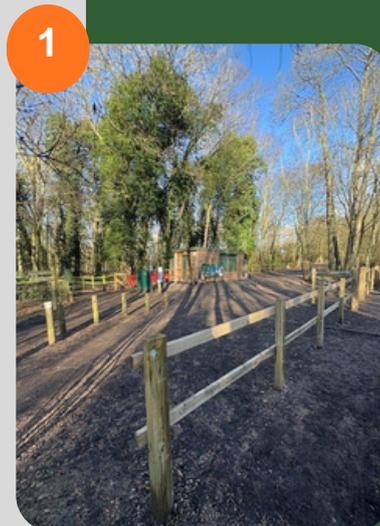

During the improvement works, the park's café and toilets will be relocated to temporary units in the main car park.

Landscaping improvements have been undertaken to enhance pedestrian safety and create a welcoming picnic area.

Key Dates:

- Last day in current café: Sunday 12 April
- Closed: Monday 13 April
- Reopening: Tuesday 14 April in our new location

Please note: We'll be going cashless (card only) to help keep our team safe.

HDC Rangers have created a new route through Bob's Wood to help maintain public access to the main field during the construction period.
